Join the Brazos County Master Gardeners at their spring plant sale! Plant selections will focus on heat and drought tolerant perennials and bulbs selected for Brazos County growing conditions. Master Gardeners have chosen favorite herbs and vegetable varieties for this sale and will also offer passalong plants from their gardens.

A preview talk highlighting growing requirements of available plants will be presented from 8 a.m. to 9 a.m. Seating is limited for this special event and offered on a first-come, first-served basis.

Master Gardeners will be available during the sale to answer your plant and gardening questions. There will be a variety of garden-related demonstrations throughout the morning.

Proceeds from the sale will be used to fund the community education programs of the Brazos County Master Gardeners, a non-profit association of AgriLife Extension volunteers.

Come early, join the fun, and remember to bring your wagon!
